Revenue and Expenditure Report  
June 2017

**COMMENTS**

**Revenue** With the first half of the year completed, revenues are \$86,143.70 greater than we budgeted for. Both property taxes and FBC came in higher than we budgeted for at this time.

The state lands revenue continues to come in less than budget. We will watch this to see if collections pick up later in the year.

**Expenditures** Total expenditures are \$30,521.36 less than budgeted. We are seeing this variance in most of the areas except for audit and miscellaneous revenue. The 2014/2015 audit carried over into 2017. We expect the audit to be completed in July.

**Bond Fund**

**Revenues** Overall revenue was \$14,912.88 greater than budgeted. This is mainly due to the collection of current and delinquent property taxes coming in higher than budgeted.

**Expenditures** The June interest payment was made this month.
